A Presbyterian clergyman in Ohio, in writing of "Huner's Medical Manual," says:—"Thousands upon thousands of our youth, by evil example and influence of the passions, have been led into the habit of salf-polintian writhout realising the sin and fearful consequences upon themselves and posterity. The constitutions of thousands who are raising families have been enfeebled, if not broken down, and they do not know the cause or the cure. Anything that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generations. STOYES, CANTINGS, TINWARE. WE respectfully call the attention of country merchants rising Nashville to our extensive stock of TIN-WARF, larger than any we ever had before, and which comprises all the articles that are in demand in country This extensive stock, which is well worthy of examina-tion, has been made by the best workment but can be found

in the country, and with the utmost care.
To cush our oners it will be said with the smallest possi Cooking Stoves. Our stock of Cooking Stoves, both of wrongist and cast iron is complete, and will be seld for cash as low if not lower than any other home in, Nashville who will offer an article of equal quality.

Heating Stoves, We have agreater variety of patterns of Heating Stoves for wood and coul than has been before offered in this market. To secure prompt sales we will sell for each at a small advance above cost.

Castings, We have a large stock of Hollon some Castings, of the best and lightest quality, which we will sell at a very ion figure.

Also, Dog Irons, Bark Hills, Sad Irons.

AS ECONOMY IS THE WAY TO WEALTH, We again call the attention of the Ladies to an invention got up expressly for their boxefit— THE SELF HEATING SMOOTHING IRON.

The advantages consist—

1st, in Economy; one cent's worth of good charcoal for nishes fuel for a whole day's insping. Hard wood coals from a common wood fire or stove answer the purpose just as well for those who live in the country.
2d. Convenience, being independent of a slove or furnace, and therefore expaths of being used in any part of JAMAS W. MINISTER. the house or yard.

id. Saving of laborand time in avoiding the carrying of the fron to and from the fire.

THE Hydromagen is a valuable discovery for protecting the feet from damp or cold, and therefore a preventative of many Long diseases, without any dectoring whatever. The Hydromagen is in the form of a sole, and worn inside the boot or shoe. Its maticated character is a powerful antidote to diseases.

For Gentlemen it will be found agreeable, warm, and healthy, to wear in the coldest or rainnest weather, as the foot cannot become wet if the Hydromagen is incerted.—Ladies may wear the lightest soled boots or shoes in the most inclement weather with importary, while Consumption, so prevalent among the young of our counter, may be thwarted by their general adoption. They emirely asperced over along, as the latter cause the feet to perspire in a very unhealthy manner; and, besides, are not dangerous wear to pedestrians in ice weather, the india orbiters. wear to pedestrians in iev weather, the india inhibera-While the latter cause the feet to appear extremely large, the Hydromagen, being a mere thin elect of cork prepared, peculiarly placed inside, does not increase the size of the boot, or cause the foot to appear untidy. To Children they are extremely valuable, as they may engage in exercise with comfort and healthy effects. Their expense is so night as to scarce need mention; besides, those who patronize them will find their yearly declars bills much discussions.

As the Hydromogen is becoming more known, its sale is increasing to an almost incredible extent. Last year in London, Manchester, Birmingham, Liverpool, Gia-gow, Leeds, Dublin, Paris, Antwerp, Hamburgh, and Berlin, our sales reached 1,732,450 pairs of Cork Soles.
